- Start of Play and after goals: Ball up between 2 players of approximately equal size.
- Ruck contests to be shared between players. No taking full possession out of ruck contest.

- Mark to be awarded for any reasonable attempt to catch the ball from a kick.
- No intentional kicking off the ground, no diving on the ball or intentional smothering.
- Players only permitted to bounce the ball once and are then required to dispose of the ball.

First Aid: First Aid officers will be on hand however it is encouraged that all teams have someone to attend to any minor on-field First Aid needs.

Traffic Management

There is no requirement for any formal traffic management for the day, the following is just a recommendation; It would be best to access Shelley Oval from Fifth Avenue, then when leaving, depart via Beatrice Avenue. People are of course entitled to access and depart the grounds however they choose, but likely they can expect a long wait leaving via Fifth Avenue.

- Torrential rain for a period of over 30 minutes, hail or persistently strong or gale force winds.
